Say what you will, people you meet first judge you by the clothes you wear. In business or society, good raiment is a good recommendation. Nothing is so expensive as wearing old clothes or poor clothes. If you are out of a job, dress up or you can't get one; if you've got a position, put on a better "front" if you want better pay.

WE'VE GOT THE GOOD "FRONT" FOR YOU, AND OUR PRICES, as well as our clothes will "make a hit" with you.

ASK YOUR NEIGHBOR

If for any or no reason you have not heard of the L. R. CONNOR Barred Plymouth Rocks, just ask your neighbor, and I will trust to fate for the answer.

How could I keep the same customers year after year unless I give full value for their money and just a little more?

I also want to remind you that I can sell Eggs for Hatching any time you want them.

Summer or winter, it makes no difference. "Got 25 chicks from 30 eggs, well pleased." Mrs. Harry Bonnell, Arkansas.

One shipment to Los Angeles, California, after traveling over 2000 miles by Parcel Post, hatched 8 chicks. If those 8 chicks were in a line that far, only 250 miles would be between them.
